 - i. Manuscript (no cover page or author information)
 1. The system handles multiple text processing formats (e.g., Word, WordPerfect, etc).
 - ii. Cover letter
 - iii. Figures
 - iv. Supplemental material
 - v. Tables
- 3) Help is available online in the submission system or telephone the JFE editorial office.
- 4) Format considerations

Cover Letter title, author(s), (*this must be the only area author(s) name(s) appear*) complete mailing address and telephone numbers of author(s), and date written.

Abstract 300 words or less

Text Double spacing of all material. One inch margins at the top, bottom, and left and right sides. Justification on left margin only.

Text cannot contain author(s) names, or references to location (page numbers, "below" "above," etc.).

Direct quotes must contain name, date and page number(s) of origin.

Use footnotes and not endnotes

Appendix Same format as text.

References References should be bibliographic form and should not be used as footnotes. Page numbers required for any direct quotations.

Figures & Tables Figures must be camera-ready and have a white background. Each figure and table should be on a separate sheet and numbered consecutively. Any text should be double-spaced.

Mathematical Notation Most letters should be italicized, but numbers and grouping symbols such as parentheses should not be italicized. See example below:

$$p_{YA}(X, a, .5) = {}^a p_x^d + {}^a p_x^j p_{YA}(X+1, i, 0)$$
